

WOODROW WILSON HS

V 1. ISSUE 25 - MARCH 10, 2023

PRINCIPAL'S MESSAGE

Gregorio Verbera

Dear Wilson HS Family,

The outpouring of love for Xavier Chavarin, and support for his family, and for all deeply impacted by the senseless and tragic event that took him from his family, serves as a reminder that the Wilson HS community is strong and caring. A memorial for Xavier at Wilson HS is currently in the works. I will provide more details in the coming days.

I am grateful for our staff who worked through their own grief to support our students. During a crisis, the best we can do is to connect, protect, and care for. We will continue to do just that.

Ms. Bliss' students at the Kirk Douglas Theatre. Kristina Wong's show addressed the dynamics of the pandemic using humor. The students absolutely loved it. It's now a Pulitzer Prize finalist—first Asian American ever to receive this!

A group of 30 students visited ELAC on 3/02, for a Careers in Construction Information Fair. Our students learned about the various career options and pathways (9 of them) in the construction industry and the different pathways they can follow to meet their career goals. Several of our students won prizes and Justin Covarrubias won the "Grand Price"! Congratulations to our WHS students and the winners for participating on this incredible event. FAMILY, STAFF AND COMMUNITY ENGAGEMENT

GROWTH MINDSET

Communicators

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

IB Profile for March

One of the most prominent IB learner attributes is communicator. We want all of our students to develop the language and ideas to name their world, to consume information and to use the power of ideas and words to change the world. Please use the learner attributes as touch-points in your lessons.
