WOMEN'S HISTORY MONTH

PRINCIPAL'S MESSAGE

Gregorio Verbera

Dear Wilson HS Family,

National Women's History Month traces its origins back to March 8, 1857, when women from New York City factories staged a protest over working conditions. International Women's Day was later observed in 1909. In 1981, the U.S. Congress designated the second week of March National Women's History Week, and in 1987 Congress expanded it to a month-long observance. Learn more and find resources at:

COLLEGE & CAREER READY

Law Magnet @ UCLA Law School

The Law Magnet visited UCLA last week. During the field trip, students were guided by an App that Mr. Roura created.

The app sent student teams on a scavenger hunt of UCLA's campus, including the Law School. "Check-in" pictures are uploaded onto the app's picture galleries.

Families can use the app to learn about their child's day at UCLA. The students had a blast. I'm looking forward to next year's junior UCLA trip.

ENVIRONMENT

The Stage if Set of Juniors

Junior Evening is set for March 24th. Teachers and staff are invited to attend and help chaperone.

Junior Evening promises to be a memorable event for our Juniors.

After a delicious dinner and plenty of dancing, the night peaks with the unveiling of the Class Name and Colors.

On March 10th I participated as a panelist in this public safety meeting that include elected officials and law enforcement officers to discuss safety concerns in our surrounding community.

As Principal of Wilson HS, my safety priorities included securing Ascot Hills, increasing patrols during peak commuting hours (before and after school), increasing the number of DASH busses during peak hours and improving street lighting around Wilson HS.

I am optimistic that we will be able to make improvements in these areas. The fencing around Ascot Hills has been repaired. A representative from Karen Bass' office made contact with me to discuss street lighting along Multnomah. We have received increased patrols around our school during dismissal hours.

We will continue to keep safety a priority.
