

School-Parent Compact for Achievement

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and effective instruction in a supportive learning environment
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

All Wilson High School stakeholders developed the compact, which outlines shared responsibility for improving student academic achievement.

Parents were given multiple opportunities to give feedback on the compact, during the Annual Title I Meeting, ELAC Meeting and the School Site Council Meeting. School Site Council approved the School-Parent Compact January 17, 2023.

Activities to Build Partnerships

Wilson High School supports a partnership among staff, parents, and the community to improve student academic achievement.

In addition, the College Corner regularly sends financial aid and college application updates to students and parents through Connect Ed, Schoology, and Remind.
